Can we do 9:30-10 EDT? If you and I need to talk longer about some stuff we can continue.

Subject: Availability to discuss Pavillion items

We need to have a follow up call to discuss a number of items that came up on yesterday's Pavillion call (schedule, review process, release date..., to name a few...). Unfortunately I have HF meetings all day today (Mike Overbay is in Ada). Please let me know your availability tomorrow (Wed, 01 Aug) morning and I will schedule a call.
